

Traffic Management Overview

11th, 12th, 16th, 19th & 20th July

oasis

Red lines indicate critical road closures.

Green shaded areas indicate the resident parking permit zones.

Cars must display a permit if parking in the permit zone between 09:00 – 01:00 on the event days.

After 20:00, cars trying to access the resident permit zone will need a permit. There will be no vehicle access through hard road closures until after main closures have been lifted but no later than 01:00

21:30 – 01:00

1. Middleton road **Closure** from jct. of Victoria Ave to Bury Old Road (both directions)
2. Sheepfoot lane **Closure** from jct. of bury old road to Middleton Road (both directions)
3. Blackley New Road **Closure** from jct. Middleton Road to Riverdale Road (both directions)
4. Meade Hill Road **Closure** from jct. of Sheepfoot lane to Middleton Road (both directions)
6. Bury Old Road **Closure** from jct. of Heywood Road to Jct. of Middleton Road (both directions)
7. Scholes Lane **Closure** from jct. of Bury Old Road and Heywood Road
10. Whittaker lane **One Way** — open to westbound traffic only from the jct. of bury old Road to the jct. of Heywood Road. All traffic must follow the direction of the one way system.

From 1800hrs

**These closures may be required from this time each day for public safety*

2. Sheepfoot lane **Closure** from jct. of bury old road to Middleton Road (both directions)
5. Bury Old Road **Closure** from jct. of Whittaker Lane to jct. of Scholes Lane/Sheepfoot lane (both directions)

09:00 – 01:00

9. Sheepfoot lane & Meade Hill (both sides for the full length) **Clearway**. A clearway order will be in place meaning no waiting, parking or loading at any point within these times. Vehicles breaching these restrictions may be towed.

**Note: in addition, there are multiple areas governed by temporary parking restrictions, indicated with 'No Parking' and/or 'No Loading' cones. Penalty charges will apply to vehicles left in these areas.*
